

# Pelican Hook Release

## REL-124

The Global Ocean Design **Pelican Hook Release** REL-124 force multiplies the Global Ocean Design **Burnwire** REL-238 to hold a maximum of 750-lbs.

Available in Aluminum or Stainless Steel.

### Key Features:

- 5:1 mechanical advantage to hold higher load without increasing time to release
- Shown to work at any depth
- Multiple mounting arrangements

**Note:** Requires Global Ocean Design **Burnwire** REL-238 (sold separately).
