Deck Purge Box Hose (Black)

DPB-118

The Deck Purge Box Hose (Black) connected to the Exhaust Hose Adapter (Red).

Care must be exercised to ensure end cap is free to move.

Companion Products:

Deck Purge Box

DPB-107

The patented Deck Purge Box dynamically removes moisture vapor from undersea housings and provides a vacuum leak test to check seal integrity.

Exhaust Hose Adapter (Red)

DPB-213

The Exhaust Hose Adapter (Red) connects to the Global Ocean Design Deck Purge Box to provide a max 5psi positive pressure to assist with end cap removal. One end connects to the Deck Purge Box Hose (Black) or (Blue), the other end connects to the Deck Purge Box's exhaust port.
